## A WORD FROM DOUG...

Happy Spring TLC Maintenance Members! We've been busy here at Elder Advisors Law. We've added new employees, a new location in Wales, WI and many new members have been added to our Elder Advisors Law family.

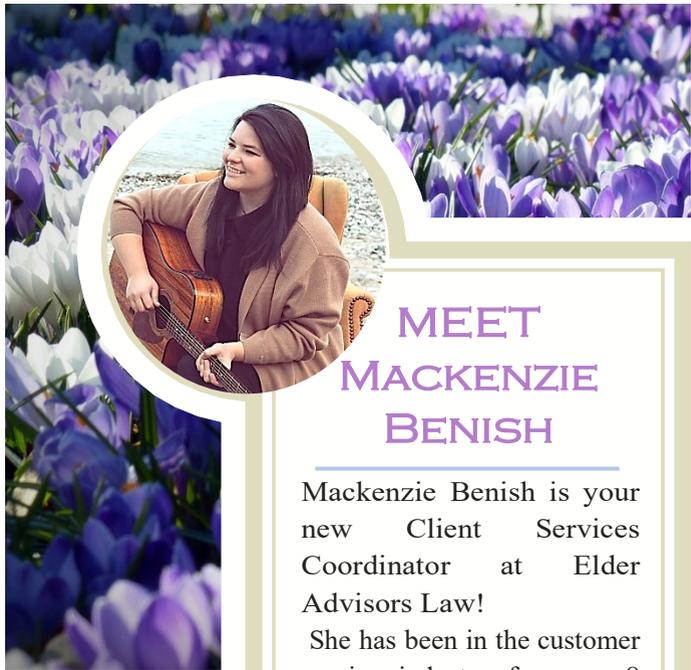

I wanted to take this opportunity to remind everyone about our Friends and family discount that we offer.

As you've navigated the complexities of estate planning, there's much information available however it can be confusing, and the result may not always align with your financial goals. Having a comprehensive plan in place and maintaining it is paramount to fulfilling your legacy.

Your estate planning with Elder Advisors Law is state of the art and intuitive to the ever-changing financial atmosphere. As part of our mission to serve our clients and community, we offer a friends and family discount to those who have done planning with us previously. We ask that you refer them to our estate planning workshops to begin the process. Contact us to find out when we have our next available workshop.

As always, it's an honor to serve you and would be an honor to serve those dearest to you.

*-Doug*

## INTRODUCING JOHN KOENIG

John Koenig is an estate planning, elder law, and VA accredited attorney with over 15 years of experience. Over the years, John has enabled hundreds of families all over Wisconsin to protect and provide for those nearest and dearest to them.

Recently, John joined Elder Advisors Law bringing his experience and knowledge to the Janesville-based firm. He is excited to help advance the firm’s mission – “It’s all about family” – throughout the south-central region of Wisconsin. John will be primarily serving families through the firm’s newly opened office in Wales, Wisconsin.

John grew up on his family’s hobby farm in central Indiana. His faith-based upbringing taught him to work hard, learn from his mistakes, and to persevere through life’s difficulties. John desires to help others press through their challenges to make sound decisions for their families.

John is married to Andrea, and they have been blessed with three children and two grandchildren (so far!). Besides spending time with his family, John enjoys a good workout, being outdoors, especially in his garden, and watching college basketball (Once a Hoosier, always a Hoosier!).
